Hi Jill,

Welcome back!

We should discuss this. Are you in the office tomorrow? I am home today, just signed on for a couple of hours, but not feeling well. Let me know if you are in tomorrow and we can talk. Otherwise, it will have to be next week.

Thanks michele

Subject: aquifer exemption update?

Hi Michele,

I've recently been assigned to help with the aquifer exemption data initiative. We're QA'ing the data now, and it's my understanding from talking to Bob Smith and Joe Tiago that you may have some updated data. Is this correct? Would you be able to send me the data so I can incorporate it into the HQ database?

Please feel free to give me a call and discuss if you'd like.

Thanks, Jill

Jill Dean
